“Design is devising courses of action aimed at changing current situations into preferred ones”.
— HERBERT SIMON

Education in Design & Arts

- 2016 **GRAPHIC DESIGN** —University Degree in Graphic Design (4 years)
UNIVERSIDAD BLAS PASCAL - Córdoba, Argentina
Final project specializing in semiotics, design sociology and public transport wayfinding. I have had an intensive practice on typography, branding, morphology, infographics, illustration and lot more.
- 2014 **MULTIMEDIA DESIGN** —Senior Technician in Multimedia Design (3 years)
COLEGIO UNIVERSITARIO IES —Córdoba, Argentina
I did a three year program on multimedia design.
- 2014 **FINE ARTS** —Senior Technician in Multimedia Design
FIGUEROA ALCORTA COLLEGE OF FINE ARTS — Córdoba, Argentina
I took a few courses for general knowledge mainly on print making and drawing.
- 2013 **DIGITAL ARTS & NEW MEDIA PROGRAM**
SELKIRK COLLEGE - Nelson, BC, Canada
Through the ELAP scholarship from the Canadian Bureau for International Education, I specialized mostly in Motion Graphics and Web Design (HTML5, CSS3, JS, CMS, Xcode, etc).

¹ I am an inveterate traveller. I work as a designer remotely from anywhere the world. On my journeys I engage in volunteering projects as a designer and as a world citizen, as well as street art.

Education in Social Sciences

- 2016 **EPISTEMOLOGIES OF THE SOUTH** —On progress
- 2017 CLACSO - Latin American Council of Social Sciences
Full name of the course: “Curso Internacional - Pensamiento y luchas situadas.
Para una cartografía del Sur”
- 2014 **SOCIOLOGY**
ZZZ UNIVERSIDAD NACIONAL DE VILLA MARÍA - Córdoba, Argentina
I took a few courses for general knowledge.
- 2006 **SOCIAL COMMUNICATION**
- 2007 COLEGIO UNIVERSITARIO DE PERIODISMO - Córdoba, Argentina
I did the first year of the program. I learned mainly working on Radio.

² I do_
JAZZ DANZE
TRAPEZE
CLOWN
AERIAL SILK
CAPOEIRA
YOGA
XYLOGRAPHY
PAINTING
CALLIGRAPHY
BOOKS

Why should I work with you

I have the skill to think visually, take my own decisions, deal with customers, I can work in teams, I have an important design theory and practical experience, I am an easy learner, I’m always trying to get new inspiration² and I can surely bring fresh points of views.

“Design is where science
and art break even.”
— ROBIN MATHEW
